

How to make an Apple-id and download Apps4Fashion to your Ipad

1. The first thing you need to do is to create an Apple-id. If you already have an Apple-id, you can skip this step.

- a. Tap on "Settings" on your Ipad

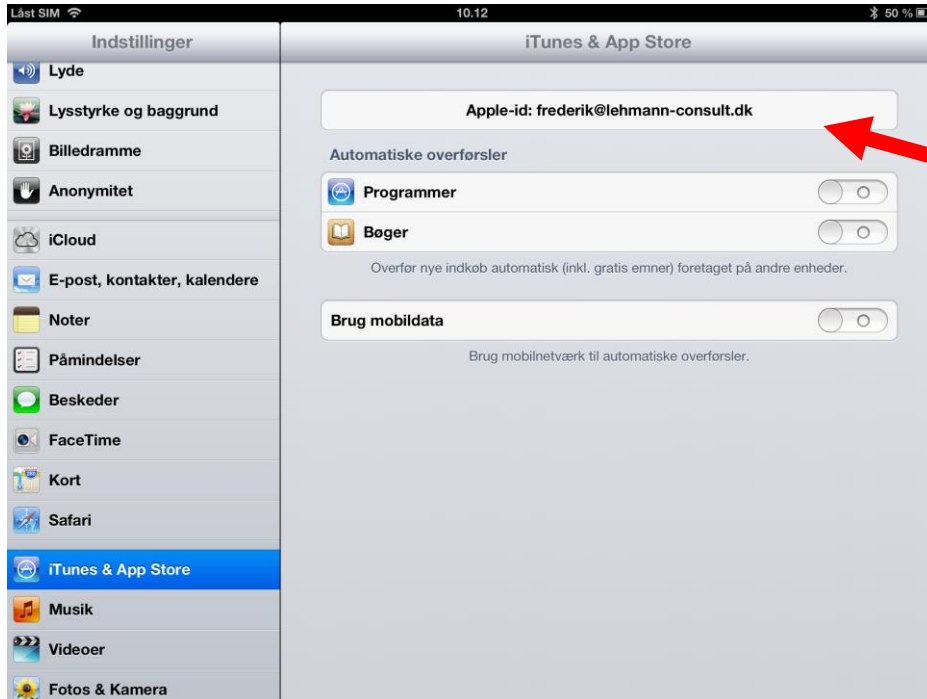

- b. Scroll down to "iTunes & App Store" – Choose "Create new Apple-id"

- c. Go through the guide and fill in all the needed information

- d. Log in with your Apple-id. You are now ready to download Apps4Fashion on your Ipad

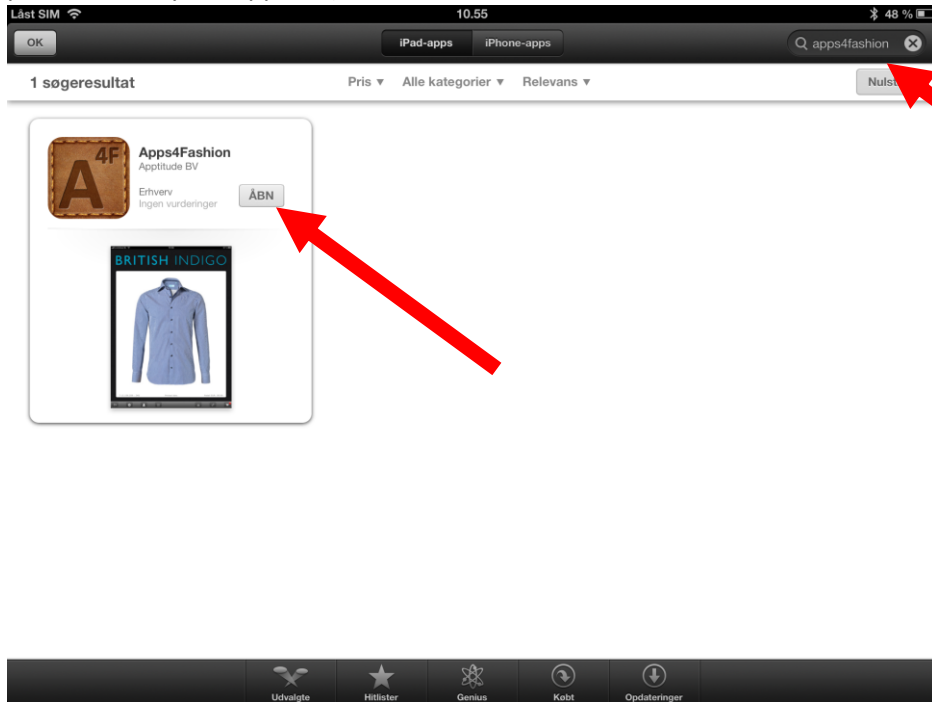

2. It is now time to find and install “Apps4Fashion” on your Ipad

- a. Go to the “App Store”

- b. In the App Store you need to search for “Apps4Fashion” in the search field in the top right corner. Click on the “install” button (if prompted for password, you need to type in your password for your Apple-id).

- c. When the installation is finished, you are ready to open and use Apps4Fashion for the first time.
